As part of your evaluation, please check the appropriate category below.

- VERY HIGHLY RECOMMEND:** Applicant has demonstrated evidence of exceptionally outstanding potential.
- HIGHLY RECOMMEND:** Applicant has exhibited abilities/qualities well above those of average applicant.
- RECOMMEND:** Applicant has demonstrated potential for successful completion of health professions training.
- RECOMMEND WITH RESERVATION:** Applicant has exhibited potential, but some aspects cause concern.
- NOT RECOMMEND:** Applicant lacks demonstrable evidence of qualities to complete health professions training.
- NOT ABLE TO EVALUATE USING THIS SCALE'S CRITERIA.**

Please address your letter to "Health Professions Advisory Committee". In your letter of recommendation please explain your relationship to the applicant with reference to how you know him/her and in what capacity you have interacted. Please provide reasons and details to support and contextualize your overall evaluation. Of particular help are comments on any of the following applicable qualities sought by health professional schools among their applicants:

Interpersonal Competencies (service focus, social and cultural skills, teamwork, oral communication), **Intrapersonal Competencies** (reliability, resiliency, capacity to improve, ethically sensitive), **Thinking and Reasoning Competencies** (critical thinking, quantitative reasoning and inquiry, written communication), **Science Competencies** (living systems, human behavior).

Please complete both page 1 and page 2
