

Probability of Acceptance

Overview

Nationally, despite the recent increase in the number of accredited medical, dental, veterinary, and optometry schools along with a slight expansion of incoming class sizes at some schools, admission to health professions schools continues to be highly competitive.

NATIONAL DATA: ALLOPATHIC MEDICAL (MD) SCHOOLS

Fall 2023

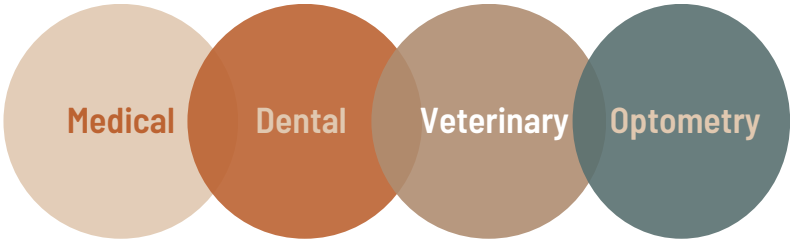

Acceptance rate: 44%

Applicant Pool: 52, 577

Accepted Students: 22, 981

Means (matriculants): GPA: 3.77, MCAT: 511.7

LAFAYETTE ACCEPTANCE RATES

Medical School

GPA	Applied	Accepted	Percent
3.60 and above	81	59	73%
